GIRL DIES FOR A WOMAN

Infatuation Between Persons Of the Same Sex Leads To Suicide

Scripps-McRae Press Ass'n.

Wichender, Mass., Jan. 9,-Miss Katherine E. Gorham, aged 21 years, B. Lillie & Co. daughter of the editor of the Wichender Courier, committed sulcide late last night after a stormy scene with her mother, by shooting herself in the forehead. The suicide was premeditated, for earlier in the day she bought a revolver at a local store.

The quarrel with her mother and the suicide were due to the infatuation which existed between Miss Gorham and Mrs. John White, the young wife of a local business man. This infatuation began two years ago and was so distasteful to Miss Gorham's parents and Mr. White that the young woman was sent to Boston to reside.

Mrs. White and herself managed to Scripps-McRae Press Asa'n. meet, however, frequently and then peculiar mental malady, the only mani- Chang that military operations cease festation of which was her strange during negotiations. love for Mrs. White. night gowns out of flour sacks? Old People Made Young.

J. C. Sherman, the veteran editor of the Vermontville (Mich.) Echo, has discovered the remarkable secret of keeping old people young. For years he has avoided Nervousness, Sleep-Jessness, Indigestion, Heart trouble, Constipation and Rheumatism, by using Electric Bitters, and he writes: "It can't be praised too highly. It gently stimulates the kidneys, tones the stomach, aids digestion, and gives a splendid appetite. It has worked wonders for my wife and me. It's a marvelious remedy for old people's complains." A young man drove into Vinita with a kallon jug of good old whisky in his Muggy. Honie young men stole the whisky, and when he began to chew the rag, one of them impersonated an officer and seared the dude so badly that he ran off home without his thungs.

A Topeka man lost a small opal set out of his ring and went to the jeweler to have it replaced. Returning home he found the lost set and, putting it in his mouth for safe keeping, harried back to the jeweler's to have that set. used instead of the new opal. Rushing into the store he suid: "Say, I've found the old set, so don't use that new one." He attempted to remove the stone from his mouth, gave a gulp, looked sheepish, and said: " I guess you'll have to use the new stone."
